

Waste water system upgrade
Pioneer Park, Tawonga
Monday 18th – Monday 25th April.

The upgrading of the Pioneer Park waste water system will commence next Monday 18th March with completion scheduled for the following Monday 25th April. The toilets will be closed during this time and Council will provide temporary toilets for the duration.

The works include upgrading of the waste water system as well as upgrading of toilet cisterns and taps to provide improved water efficiency.

Please contact Simon Jones, Project Officer on 0409658339 should you require more information.
